 Jennifer Dougherty	My love of Frederick is a lot like yours. We have captured the American dream, but the dream cannot survive without leadership – and a little elbow grease. As a Democrat and business person, my record is strong. I know we can do great things.
 Michael O'Connor	My nearly 30 years of civic, business, media, and non-profit leadership, including eight years as alderman, uniquely qualify me to serve as your mayor. My commitment to engagement, stewardship, and community is clear. With you and for you, we will Move Frederick Forward Together!
<i>Alderman</i>	<i>Vote for 5</i>
 Todd Anderson	I will address the ongoing issues taking far too long to resolve and work to attract the kinds of businesses that bring good paying jobs to the city. With 24 years working in both local government and the private sector, I will apply this experience and knowledge to Keep Frederick Awesome!
 Jeannette Bartelt	As a grass roots advocate, I have been organizing marches for people's issues and saving the environment in Frederick for the past ten years. I believe that all people are important and deserve to be represented. Some areas of focus: education, housing, healthcare, and environment.
 Antonio Bowens	Why vote for me? My vision for Frederick includes smart growth, progressive values and hard work. I don't take "no" for an answer, nor do I settle for "good enough." I care deeply about this city and want to see us stay the course to be a great place to work and live. I'm ready to fight for the residents of Frederick.

 <p>Kris Fair</p>	<p>Everyone loves the beauty of this city, and I want to ensure each part is as beautiful as the whole. In January, I unveiled my plan to strengthen every neighborhood.
